Steve Darling joins the *Forget Me Not Golf Tournament*

Steve Darling, Anchor Global TV BC Weekday Morning News, will be joining the 17th annual *Forget Me Not Golf Tournament* as Master of Ceremonies on Thursday, May 26 at Northview Golf & Country Club in Surrey.

The *Forget Me Not Golf Tournament* is the Alzheimer Society of B.C.'s largest annual research fundraiser. To date, the event has raised over \$6 million in support of the Society. Over 90% of the funds raised go directly to the Society. Proceeds from the tournament are divided equally between supporting families in B.C. who are living with the disease and funding research for the cure.

"Whether you participate, donate, sponsor or volunteer, join us in helping to support families in B.C. who are affected by Alzheimer's disease," asks Steve.
