

# “PEOPLE LIVING WITH DEMENTIA WILL LEAD FULL LIVES, THROUGH A SHARED PASSION FOR ACTION BY ALL STAKEHOLDERS.”

- DEMENTIA SERVICE FRAMEWORK

“Did you know the stripe pattern on every zebra is different? And every person with dementia is different, every caregiver is different...we can't have a one-size-fits-all system.”

~ DR. B. LYNN BEATTIE

*Person with dementia*

“...voice is such a key part to who we are as individuals. The disease is already robbing us of this voice, surely the system shouldn't be doing that as well.”

## FROM KNOWLEDGE TO PRACTICE - KEEP THE MOMENTUM GOING

Thank you for attending *From Knowledge to Practice*. Take a moment to reflect on the learning forum: key themes and ideas, powerful speakers, new ideas, new relationships.

In March, we'll continue the discussion. Who else can you invite to the conversation? Follow the exciting *Grant to Improve Dementia Care* projects through the Alzheimer Society of B.C.'s Web site, where you can also review the Dementia Service Framework.
