From Knowledge to Practice II

Improving Dementia Care and Services in BC

SAVE THE DATE!

March 12, 2009

The second learning forum, hosted through the Alzheimer Society of B.C.'s *Grant to Improve Dementia Care in BC*, will be held in Vancouver next spring, to share and celebrate the learning and successes of the seven grant-funded initiatives.

This forum is being held to share and celebrate the final outcomes of the seven grant-funded initiatives, to gather learning, and consider sustainability of the work through intentional knowledge exchange.

As a key partner, you are invited to participate in this important Forum!
